Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Wilton in the County of Hillsborough and State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to appear at the Town Hall in said Wilton, on Tuesday, the 11th day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers.

2. To hear the reports of town officers, agents and committees and pass any vote relating thereto.

3. To see if the town will grant free use of the town hall for the following purposes: Roy Bent Post No. 10, American Legion; Wilton Fire Department for their annual party; Roy Bent Post No. 10, American Legion, for Memorial Day exercises.

4. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

5. To see what action the town will take in regard to real estate taken over by the town for nonpayment of taxes.

6. To see if the town will vote to accept the budget as prepared by the budget committee or make any alterations relating thereto.

7. To see what action the town will take relative to the purchase of a new truck for the highway department or take any action relating thereto.

8. To see if the town will vote to raise the sum of $433.36 for the purchase of sewer rod equipment or take any action relating thereto.

9. To see if the town will vote to raise and appropriate the sum of $650.00 to cover the expense of extending six inch water line from Park to Livermore Streets, crossing the Whiting Hill road along the public highway to a point at junction of said highway, to road leading to residence of John K. Whiting, the distance is approximately 550 feet.

10. To see if the town will vote to purchase, in accordance with David Whiting and Sons, Inc., offer, the banking on the north side of Main Street between Town Hall and Park Street cut, together with a segment of mill pond between Memorial Park and the old blacksmith shop, the two properties to be used to increase parking and/or highway space or for town beautification, at a price of $2,000. And to raise and appropriate money therefor or take any action relating thereto.

11. To see if the town will vote to raise and appropriate the sum of $184.62 (1/100th of one per cent of the assessed valuation) to the Monadnock Region Association of Southern New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns in the Monadnock Region.

12. To see if the town will vote to raise and appropriate the sum of $100.00 for the use of the Town Forest Committee, or take any action relating thereto.

13. To see what sum of money the town will vote to raise and appropriate to defray town charges for the ensuing year, including town officers' salaries and expenses, election and registration, town hall, police department, fire department, health de-

partment, vital statistics, sewer maintenance, town road aid, town maintenance, planning board, parks and playgrounds, new equipment, street lighting, municipal court, town poor, old age assistance, aid to soldiers and their families, Memorial Day, cemeteries, interest, W. P. A. project, sidewalks, bonds, long term notes, county taxes, Monadnock Region Association, libraries, town forest, water main extension.

14. To transact any other business that may legally come before said meeting.

Given under our hand and seal this 24th day of February 1941.

JAMES E. BURKE,
PETER J. DUGAN,
WILLIAM M. ABBOTT,
Selectmen of Wilton, N. H.

BUDGET

Estimates of Revenue and Expenditures for the Ensuing Year, Feb. 1, 1941 to Jan. 31, 1942, Compared with Actual Revenue and Expenditures of the Previous Year, Feb. 1, 1940 to Jan. 31, 1941

Report of Water Commissioners

We have had the usual number of repairs and replacements, and one serious break was on Intervale Road, where it was necessary to shut of the water on Intervale Road. As the water works are thirty-eight years old, some of the pipe from the mains to individual services should be dug up and renewed.

Water was supplied to the town from the two reservoirs during the summer months. During the summer months the State Board of Health had samples taken from both reservoirs and reported water as very good at the time samples were taken. As usual we had to get water from Burton Pond to keep the supply to the town going.

OMER J. SHEA,
LESLIE N. CENTER,
PETER J. DUGAN.

Report of Municipal Court

WILTON, N. H.

During the fiscal year ending January 31, 1941 there were thirty-nine criminal cases, five small claims and two civil cases entered in the Municipal Court, a small decrease in total number of cases as compared with last year. Fifteen of the criminal cases involved local persons and twenty-four out of town. The criminal cases consisted of twenty-one motor vehicle violations, eight drunks, two operating lotteries, one assault, two statutory, one obstructing an officer, two brawls and two larceny. There was a considerable increase in cases involving liquor.

I hereby submit the usual

FINANCIAL REPORT

Total fines, fees and costs imposed and collected by said Court from Feb. 1, 1940 to Jan. 31, 1941	$564 08
Paid fines to State of New Hampshire	255 00
Paid officers' fees, witness fees and costs, postage as per vouchers	111 87
Paid town treasurer to balance account	197 21
	$564 08

Respectfully submitted,

H. D. CHEEVER,

Justice and Clerk.

Clinics:

Pre-School Clinic, June 1940.

A State Board of Health Infancy and Pre-School Clinic was held at the Town Hall in June.

41 children were weighed, measured and examined by the local physicians, a committee of Wilton ladies assisting. 18 were immunized against diphtheria.

Following up the recommendations of Dr. Rice and Dr. Powers at Pre-School Clinic 4 tonsilectomies were done at Hillsboro County General Hospital and 3 orthopedic abnormalties received treatment at Balch Clinic, Elliott Hospital, Manchester.

Clinic Services (Adult and Pre-School)

Tonsilectomy, 1 Clinic, 4 children.

Cancer (Radium), 8 Clinic, 2 adults.

Chest and X-ray, 3 Clinic, 2 adults, 1 child.

Orthopedic, 6 Clinic, 3 children.
Optometry, 1 Clinic, 1 adult.
Dentistry, 2 Clinic, 2 adults.

Out-District School Service:

New Ipswich	7 half-days
Mason	2 half-days
Greenville Public	4 half-days
Greenville Parochial (Sacred Heart)	8 half-days

Total Collections: $270.00

Respectfully submitted,
EDNA J. GILBERT, R. N.

Report of Vale End Cemetery Committee

The committee for the care of Vale End Cemetery carried on the work of previous years. The purchase of a power mowing machine for cemetery work assisted us greatly in keeping the yard in good condition and at less expense.

Almost all of the wild cranberry is now gone, which makes the general appearance better. We would state that since no burning has been done in the cemetery for a number of years there is a great increase in grass growth. This makes the yard look much better.

During the year we made over three lots, adding loam and seeding. All the old sand top lots are eliminated.

Mr. Archie Thompson did the work for us during the year and his interest has been appreciated by the committee.

We list below expenses for the year as well as equipment at the yard; also an account of charges made on perpetual care funds for the year.

Expenses for the Year

Archie Thompson, labor	$91 20
7 months electric current	7 00
7 yards loam	12 25
Grass seed	50
Gas and oil	1 25
	$112 20

Equipment at Yard

The same supplies and equipment as listed in 1938 report, plus the power mower, which is stored in the tool house.

Charges to Perpetual Care Funds

H. Proctor fund	$6 00
J. Putnam fund	5 00
George Burton fund	2 25
Weltha Farwell fund	2 00
S. Tarbell fund	2 00
A. Burton fund	3 00
L. Aimini fund	00
A. Townsend fund	1 50
Asa Stiles fund	2 00
M. and H. Holt fund	1 00
A. Cragin fund	00

Respectfully submitted,

WHITNEY M. FRYE,
LUTHER LANGDELL,
EDGAR H. BUTTERFIELD.

Report of Fire Department

During the past year we have had two bad fires of unknown origin, the Curtis Mill and McGrath barn. These two fires had a good start and the department did well to hold these fires in check and save surrounding property.

We have had a number of still alarms for chimney fires, some of which it seems could be avoided by keeping chimneys in a cleaner condition.

We have found some very bad conditions around some of these chimneys, such as waste paper, shavings, sawdust chips, and wood near the clean-out doors, thimbles rusted out that should be replaced, bricks that should be relaid and clean-out doors in basements in poor condition. Owners or tenants have been told of these conditions and we hope others will profit by what we have written.

We answered alarms in Lyndeboro and Greenville, and feel that we helped to save considerable property. Greenville sent us a check for $50.00 for our help.

We hope you will vote us the money we have asked for, $2700.00, as we need it to keep the department in first class shape.

Respectfully submitted,

G. G. DRAPER, Acting Chief

J. O. BERUBE, Assistant Chief.

Report of Town Forest Committee

During the past year the town received as an addition to its Town Forest land from the Whiting family, the cut off tract which lies directly north of the Harvey W. Frye Town Forest Lot. The slash on the old cutting has never been removed and before any young trees can be set out this slash should be piled or winrowed during the coming year so that it can be burned and made ready for setting out the new trees. For this work the committee recommends that the sum of $100.00 be appropriated for this use and for the purchase and setting out new trees on the Harvey W. Frye Lot to fill in former plantings.

The committee would also recommend that the Selectmen be authorized and instructed to turn over to the care of the Town Forest Committee all forest and submarginal lands acquired by the town under tax deeds.

Respectfully submitted,

HAROLD D. CHEEVER,
J. E. BURKE,
PHILIP C. HEALD.

Report of Forest Fire Warden

As you will see in this Town Report the amount of money that the town has paid for forest fires the past year, 1940, has been small, and let's pray that the same can be said of 1941.

The town was repaid by the railroad for most of the fires. We have had several narrow escapes from large forest fires, mostly started near the B. and M. Railroad tracks.

One was set by children playing with matches and not caused by hunters as first supposed. Parents, please teach your children that danger.

The forest fire danger in hurricane blow down is still with us and will be for the next few years, therefore, I wish to ask every person in Wilton to be alert to that danger and report any signs of smoke or fire as soon as humanly possible as seconds count in cases of high winds and low humidity. Notify the Wilton Telephone operator who will know how to get the proper help.

If one forest fire gets out of control it could cost thousands of dollars before being subdued.

Respectfully submitted,

GEORGE G. DRAPER, Phone 52 or 93,

Forest Fire Warden.

Copy of Gift from Mrs. Fanny W. Blanchard

Wilton, N. H.,
April 18, 1940.

To the Trustees of the
Wilton Public Library of Wilton, N. H.
Gentlemen:

To carry out the desire of my late husband, George G. Blanchard, and as an expression of his interest in the library for many years, I hereby give to the said Trustees the sum of One Thousand Dollars ($1000.00), to be invested at their discretion, the income of which may be expended for the general expenses of the library, but preferably for the purchase of books.

Very truly yours,
FANNY W. BLANCHARD.

Report of Park and Playground Commission

No great progress in the development of the Whiting Park and Playground has been accomplished during the past year. The money appropriated by the town at the last town meeting has been used mainly to eradicate grass and weeds from the gravelled paths, keeping the park mowed, and filling up hollows with earth and seeding same to make the park more level and attractive. During the year the commission made an appeal to various civic and fraternal organizations in the town for contributions to be used in planting trees and shrubs, which was one of the conditions the park was given to the town. Two of these organizations responded with contributions and the commission is holding in its hands the sum of thirty dollars which is to be used for this particular purpose.

Plans are being made this year to attempt to reduce the cost of mowing the park so that some of the money appropriated by the town can this year be used in addition to the contributions already given to start some of the plantings which the town obligated itself to do when it accepted the gift from the Whitings.

If any material progress along this line is to be made during the coming year the commission feels that the town should make an additional appropriation of $200.00 or $500.00 in all to the Park and Playground Commission.

Respectfully submitted,

JAMES E. DRAPER,
HAROLD D. CHEEVER,
JOHN T. HURLEY.

Report of Planning Board

During the past fiscal year the Planning Board has held six regular meetings at which discussion and plans were made in relation to parking problems, both present and future, location of new accommodations for local prisoners, cemeteries, purchase of land for the improvement of Main Street, contemplated reconstruction and re-routing of Route 101, rules for sale of cemetery lots, location of new sidewalks and zoning ordinances.

The WPA project for making map of town and setting up card system for use by the selectmen were completed during the year and we now have a very complete map of the whole town and the East Wilton Village District showing types of usage and kinds of land, which should be interesting and instructive to all of our citizens, and the board would recommend that citizens inspect these maps at their leisure in the Selectmen's room. As a part of this project the town also now has a complete aerial mosaic photograph of the whole town of Wilton. This photograph was made by Mr. and Mrs. Perry and we are informed that Wilton is the first town in the State to have such a photograph. This is also open for inspection by the citizens in the Selectmen's room.

The Planning Board is now working on a preliminary suggestion for a zoning ordinance dividing the town into residential, commercial, industrial and rural districts. The whole object of zoning ordinances being to carefully plan for future development of Wilton to preserve its attractions and beauty and to insure the rights of the citizens against undesirable usage of property which would infringe upon the rights and privileges of our citizens in the residential and rural districts of the town

and to promote the health, safety, morals and general welfare of the community at large. It is the intention of the Planning Board to hold general public meetings at which such plans will be presented to the citizens and for general discussion so that all our people may become acquainted with the purpose and intent of such zoning ordinances. It should be borne in mind that the Planning Board or zoning committee cannot make any rules, regulations or laws for planning or zoning but can only suggest plans, rules and regulations which the townspeople must adopt themselves by vote at town meeting. It is the desire of the Planning Board that any citizen should feel perfectly free to suggest to the board any plans or suggestions which they may have along these lines.

Respectfully submitted,

HAROLD D. CHEEVER,
J. E. BURKE,
PHILIP C. HEALD,
WHITNEY M. FRYE.

Report of Auditors

Selectmen, Town of Wilton:

We have completed our audit of the books of the various officers of the town for the year ending January 31, 1941 and find them in good order.

The records of the Trustees of the Trust Funds, Trustees of the Wilton Public Library, Trustees of the E. A. Newell Book Fund and Judge of the Municipal Court have all been checked and found correct.

We have gone over the records of the Water Commissioners for sales, receipts and uncollected balance as of January 31 and found them to be correct. Collections were properly turned over to the Treasurer regularly. Town Clerk's records on registrations of automobile and dog licenses have been checked and found correct and collections turned over to the Town Treasurer.

The warrants, receipts, and uncollected balances of the Tax Collectors have been checked and found to be correct. The uncollected accounts of the Tax Collectors and the Town Water Commissioners are being verified by sending individual notices to each debtor.

The records and reports of the Selectmen and the Town Treasurer have been checked and found correct. All invoices paid were on file and properly vouched for.

We very much appreciate the cooperation of the Town Officers in presenting their records for audit so promptly and congratulate them on their appearance.

Yours truly,

JOHN T. HURLEY,
PAUL V. HERLIHY,
Auditors of the Town.

February 24, 1941.

REPORT OF SCHOOL SUPERINTENDENT

To the School Board and Citizens of Wilton:

I respectfully submit my eighteenth annual report as Superintendent of Schools:

Supervision

In the last several annual reports I have attempted to set forth what we are doing in the primary grades with the important subject of reading. This emphasis is constantly being held, and is extended to the succeeding grades year by year. The pupils who were in Grade One when we began this special drive are now in Grade Four, except those who have had to proceed more slowly in order to receive the greatest benefit from the reading instruction.

As one observes the instruction in these grades, one sees many evidences of the superiority of modern methods in the teaching of reading. The interest of the children is more keen and real; their confidence in their own ability is greater; the progress of the timid child and of those who are by nature slower than the average is more sure and steady, because they are not forced to try to keep the pace of the faster workers.

More concrete evidences of gains in reading ability in the various grades should appear as time passes, for results in the standardized tests used should reveal what the gains may be in reading and in the other subjects. Already there is some evidence of the improvement of pupils in the upper grades, who did not have this reading program while in the primary grades but have had the benefit of the increased attention teachers have given to reading in the middle and upper grades. The average gains of the pupils in these grades, as indicated by the scores they made in the reading tests of the Stanford

Achievement Tests in successive years, is shown in the following table.

This study includes all of the pupils in the eight towns of this Supervisory Union.

Average Individual Gains in Reading Scores	Grade V	Grade VI	Grade VII	Grade VIII
From Oct. 1937 to Oct. 1938	.85	1.06	.60	.51
From Oct. 1938 to Oct. 1939	1.00	1.11	.97	.99
From Oct. 1939 to Oct. 1940	1.08	1.37	1.31	1.17

In this table, a normal growth or gain for a full year is represented by 1.00. The pupils of Grade V in October, 1938, had gained .85 of a normal year's growth since taking the test in October, 1937, when they were in Grade IV; but in October, 1939, when they were in Grade VI, they had gained 1.11 in a year; when they had reached Grade VII (in October, 1940) they had made a gain of 1.31 in that year.

A similar study of the pupils in Grade IV in October, 1940, shows that they gained 1.25 from the time they were tested in Grade III in October, 1939. This measure may not be so reliable as those set forth in the table, however, due to the fact that we use the Metropolitan Test in Grade III and the Stanford in Grade IV, and the scores are not quite comparable.

General School Policy

In my report last year I raised the question "What can Wilton afford to offer its youth of high school age" and briefly outlined what Wilton has done in the more recent past and is doing at present; closing with the suggestion that, if and when it becomes necessary to reduce costs, it can only be accomplished by a reduction in the offerings of the school sufficient to permit a reduction in the number of teachers. So far as we can learn at the present time there is no very general demand for such

changes to be made; consequently the schools have been carried on this year on the same plan as in recent years, and no change is proposed for the coming year.

It was shown in last year's report that high school costs in Wilton from 1934-1939 had averaged $115.26 per year; the coresponding cost for 1939-1940 was $117.31. The state average for the five-year period mentioned was $107.23, and for 1939-1940 it was $105.23. The average elementary cost in Wilton for the five-year period was $69.12, and for 1939-1940 it was $82.54; corresponding state averages were $74.07 and $81.85, respectively.

While school enrollment in a single town may fluctuate widely, it may be interesting to note that in New Hampshire as a whole elementary school enrollment was on the increase from 1922 to 1932 at an average rate of nearly 350 additional pupils each year, while the period from 1932 to the present time has shown an average **decrease** of more than 700 pupils per year. This trend is country-wide and is attributed to the declining birth rate. High school enrollments, however, have shown a constant increase; the annual increase from 1922 to 1932 averaged nearly 700, and in the period since 1922 has averaged only approximately 550. This probably means that high school enrollment has very nearly reached its peak in New Hampshire.

The trend of the past several years in Wilton has been downward in both high school and elementary pupil enrollment, the figures for last year being shown in the statistical table which follows this report.

Building Maintenance

The cement floors in the basement of the older part of the main building were taken up and replaced with new cement last summer, and the class

rooms in the older part of the building where modern lighting facilities had not previously been installed, were equipped with similar fixtures to those used in other rooms, and the open wiring was replaced with concealed metal conduits. When this work was completed there was not enough money to redecorate the walls and ceilings as originally planned, so allowance is made for this in the budget presented for 1941-42, the work to be completed next summer.

Any further renovation of the basement will have to be planned in conjunction with the project of substituting oil for coal for heating purposes, but no recommendation is made for the coming year. There still remains $2000.00 debt, to be paid off in 1941-1942 and the succeeding year, and when that is cancelled we should make a beginning of these and some other projects.

Budget

The only budget reductions for next year in comparison with last year's budget are $200.00 in minor repairs; $150.00 in new equipment; $1000.00 in payment of debt; with very minor reductions in insurance, interest on debt and per capita tax, and these reductions are partly offset by an increase of $500.00 in the cost of transportation. There will be an increase of $220.00 in state aid and probably about $400.00 in high school tuition income, with slight reductions in the amount of federal aid and income from trust funds. The net result is a reduction in the total assessment required from $29,200.00 last year to $27,646.00 for the coming year. The increased cost of transportation had to be provided for this year, because of the location of one family with two school children in a remote section of Abbott Hill.

In closing, I should like to record with very great

satisfaction and pleasure the establishment last spring of the George Blanchard Scholarship Fund which was set up by Mrs. Blanchard in conformity with a frequently expressed desire on the part of her husband. The first awards made were $100.00 scholarships to Frances Doane, Thelma Gray, and Shirley Lyford. We know that this general and substantial recognition of Mr. Blanchard's interest in the graduates of Wilton High School will aid many boys and girls in the years to come in their efforts to secure further education.

Respectfully submitted,

VERNON S. AMES,

Superintendent of Schools.

Wilton, N. H., February 17, 1941.

HEADMASTER'S REPORT

To the Superintendent, School Board and Citizens of Wilton:

I herewith submit my third annual report as Headmaster of Wilton High School. We have had an enrollment of one hundred pupils in grades nine through twelve. One-third of the pupils are enrolled in each of the three curricula, namely, Academic, Technical, and Home Economics or Commercial. The following pupils have received 90% or above in every unit subject during the first half of this year: Barbara Pierce, Margaret Pittman. The following have received 80% or above in every unit subject during the first half of the year: Olive Ring, Edna Wheeler, Irene Wesoja, Dorothy Broome, Alfred Jarest, William Maher, Robert Nichols, Benjamin Holt, Norma Drislane, Jean Greeley, David Young, Gladys Robinson, Rupert Smith, Harriet Cleaves, Marguerite Crosby, Walter Hardy, Theodore Tripp, Margaret Quigley, Robert Pittman, Milton Huber, Edna Glines.

We have made a study of the occupations of all of our graduates for the past twenty years and we find that they have entered nearly fifty occupations, but that more than half of them either entered the local mills, teaching, hospital work, farming, or domestic service. Approximately fourteen per cent secured further education in sixteen different colleges and normal schools.

The graduates of 1940 are occupied as follows: Caroline Woodbury, Brown University; Shirley Lyford and Warren Fox, University of New Hampshie; Dorothy Chapman, Keene Teachers College; Frances Doane, Thelma Gray, Anna Hurley, Virginia Russell, Business College; David McGrath, Hillsboro Mills; Samuel Proctor, Machine Shop; Avis Botsford, Alice LaMarche, Sarah Edwards,

Dorothy Lenz, and Verna Mallows, Domestic Service.

Our attendance up to the present time is 93.98 per cent. There have been 267 half-days absence during the first three weeks of January. This was chiefly due to the prevailing illness. All of us, parents, pupils and teachers, should strive to keep attendance high and the tardiness low.

The annual state inspection has been made and we have received our rating as a standard class A secondary school for this school year.

We have a thirty-five period week and the teachers are teaching or conducting study halls during the number of periods indicated below: Mr. Currier 24; Miss Grant 30; Miss Mailloux 30; Mr. Wilkie 30; Miss Houlder 33; Miss Cunningham 30; Miss Edwards 31; Mr. Pike 33; Miss Hughes 17.

The pupils have been grouped, in the physical education classes, so that their ages would be more uniform. The results have been very satisfactory. This fact and the crowded conditions in the upper grades coupled with scheduling of music periods for large groups and the many double laboratory periods taught by several teachers, has made it necessary for some pupils to plan their study schedules with more care than in the past.

We have endeavored to have teachers conduct supervised study during part of the class period, and to carefully clarify the assignments, as we have longer periods than some schools and many of our pupils have various extra-curricular activities. Our extra-class activities are about the same as last year and the pupils do splendid work in these activities, often in contests with larger schools.

The pupils and teachers appreciate the many repairs and improvements which were made in the buildings last year.

I want to thank the many people who have aided the pupils and the school in various ways during the past year. In closing may I express my sincere appreciation to all teachers, to Superintendent Ames, and to members of the Board of Education for their loyal support and cooperation, and to others whose help has made this year both pleasant and profitable.

Respectfully submitted,
ROLAND E. CURRIER,
Headmaster of Wilton High School.

January 24, 1941.

STATISTICS FOR SCHOOL YEAR ENDING JUNE 30, 1940

School	Boys	Girls	Total	Average Membership	Average Attendance	Per Cent of Attendance	Total Tardinesses	Tardinesses Per Pupil

REPORT OF THE SCHOOL NURSE

To the School Board and Citizens of Wilton:

I submit my twelfth yearly report of defects found in Physical Examination by Dr. C. E. Rice and Dr. J. E. Powers in October 1940, and corrections noted to date, February 11, 1941.

Total number examined: 319

Malnourished, 21; under treatment, 5
Anaemia, 1; treated 1
Cardiac Disease, 6; under supervision, 5
Susp. Pulmonary, 2; under supervision 2
T. B. Contacts, skin tested, 5; X-rayed, 1
Athlete's Foot, 4; corrected, 4
Fatty Tumor, Neck, 1
Varicose Veins, 1; injected and removed, 1
Pediculosis, 5; corrected, 5
Defective Teeth, 148; without defect, 181
Ring Worm, 1; corrected, 1
Impetigo, 1; corrected, 1
Cervical Glands, 1 (diagnostic)
Poor standing Posture, in special exercise group, 15
Orthopedic Defects; 1 injured knee recovered; 2 had special built up shoes; 1 crippled child had new braces; 1 child with clubbed feet moved out of town; 2 children are untreated
Defective Vision, 15; good correction with glasses, 27; glasses needing changing, 4
Hearing was tested with audiometer in November in Grades 2-6 and newcomers in High and Junior High; no hearing defects were found.

Respectfully submitted,
EDNA J. GILBERT, R. N.

Report of Trustees of Trust Funds

Five new funds for care of cemetery lots were received during the year, making the total number of funds for that purpose 109. One fund was increased from $100 to $200.

Funds for care of cemetery lots total $11,760, with income for year $238.14. The sum of $255 was expended during the year for care of lots. On July 1, 1940 the interest paid on the above funds was decreased from 2% to 1½%.

During the year the $1,000 Boston and Maine 5% Bond was exchanged for one $500 New 4% First Mortgage Bond due in 1960, one $500 New 4½% Income Bond due in 1970. This refinancing was insisted upon by the R. F. C. which agreed to assist the B. and M. Railroad by purchasing a large amount of these bonds. It was the opinion of the State Tax Commission that this exchange was permissable and as the majority of the bond holders agreed to make this exchange, the trustees voted to do likewise.

The receipts of the Howard and Spalding School Funds were paid to the Treasurer of the School District.

A list of Trust Funds showing receipts and expenditures for each fund, follows.

Respectfully submitted,

W. L. STANTON,

For the Trustees.
